

VITOR VASCONCELOS

Software Engineer

About Me

I am a passionate technology enthusiast, a fast learner, and a highly organized professional. I thrive in dynamic environments, solving complex challenges with innovative solutions. My commitment to continuous improvement drives me to stay updated with the latest technologies and best practices in software development.

Professional Summary

F1RST Digital Services (Santander) – 2025/05 - NOW:

As an automation developer at F1RST Digital Services, I'm responsible for automating the provision of cloud and on-premises NoSQL database services. Using Ansible playbooks, Camunda workflow and other programming languages like Python, JavaScript and Shell, I ensure their stability, security and efficiency.

MGITECH – 2022/01 – 2025/04:

As a fullstack developer and technical lead at MGITECH, I specialized in data-driven solutions and web application development. My expertise included building interactive dashboards with Power BI, automating ETL processes using Python, and optimizing SQL queries to enhance business operations. Lastly, I was leading the integration of Power BI Embedded dashboards into a Next.js web application, utilizing TypeScript and Prisma with SQL Server for optimal performance. Additionally, I've had some experience in Continuous Integration and Deployment (CI/CD) and unit testing, ensuring code quality and reliability.

Skills & Technologies

Core Technologies:

Node.js, React.js, TypeScript, Python, SQL Server, Power BI, HTML, CSS, Tailwind CSS, SAP Hana, MongoDB, Figma, GitHub, Ansible, Terraform, AWS.

Additional Proficiencies:

Office Suite, Agile Methodologies, Team & Project Management, Continuous Integration & Deployment (CI/CD), Unit Testing, Terraform, Ansible.

Education

- Postgraduate in Software Engineering – University of Mogi das Cruzes (2024-2025)
- Bachelor's in Information Systems – University of Mogi das Cruzes (2018-2021)
- English Certification – CCAA (2018-2022, Advanced Level)

Languages

- English: Advanced (B2 Linguaskill - Cambridge)
